

APPLICATION INSTRUCTIONS
CHRISTMAS INTERNATIONAL HOUSE 2001
December 20, 2001 - January 2, 2002

Applications will be accepted between October 8 and December 1. Do not call about your placement before November 30.

Program options:

On your application, indicate any programs you would be willing to attend. (Additional choices may be indicated on the back of the form.) If we are unable to place you in any of your choices, you will be contacted by the Registration Office to discuss other options.

If you want to apply to CIH with another international student, please clip both applications together and mail them in the same envelope. We cannot place more than four students from one university campus in the same program. If you must travel as a group to share expenses, consider several programs in one geographical area (some states have several programs within driving distance of each other.) We strive to have an international mix in each CIH local program.

Placement:

As soon as your application is processed, you will receive a letter from your host program with a confirmation form enclosed. Mail this form to your host community IMMEDIATELY in order to hold your place in that CIH program. This letter will give you details about the exact address of the program, its activities, and information about meeting you when you arrive.

Travel:

Please check transportation costs to your placement preferences prior to mailing your application. Do not make reservations until you receive confirmation of your placement.

If you have limited travel funds available, we recommend that you apply for a program closer to your school. If you are traveling by car, remember snow tires are needed in some sections of the country in case of snow. Also, airplane reservations should be made immediately upon acceptance into a program.
